

Why Us

Stamford Tent & Event Services is the oldest and largest tent rental and event services company in the tri-state area. We are a full service rental company that provides products and services to the special events market (party planners, caterers, florists, country clubs, banquet halls, hotels, restaurants, universities), as well as private clientele and homeowners.

At Stamford Tent & Event Services we treat each event with impeccable personalized service and pride ourselves on creating "peace of mind" for our clients. We believe this is why we have won 9 International Achievement Awards for Excellence in Tenting.

Behind every successful event is our team of skilled professionals. From our event consultants, our team of production and project managers, permit expeditors, administrative support staff, to our night loading crews, tent washers, delivery crews and field installers... we are dedicated to making your event the most memorable and enjoyable for years to come.

No hassles, no problems - just first class dependable service.

We offer a wide range of equipment and services to our customers. This includes tents, canopies, dance floors, staging, platforms, lighting and décor, heating and air conditioning, carpeting and power generation.
